

TRIBUTE PAID TO BROTHER LAWYER

Members of Chattanooga Bar
Meet to Honor Memory of
O. G. Stone.

A large gathering of lawyers was held in the circuit court room Thursday morning for the purpose of taking action and the adoption of resolutions concerning the death of O. G. Stone, who died Wednesday morning. Judge S. D. McReynolds was elected chairman of the meeting and L. D. Miller, secretary. Those attending the meeting which lasted for only a few minutes, heard the intimate friends of the deceased and those who knew him best and loved him pay eloquent tributes to the life of this young lawyer which had been taken in the very high noon of his career of promise and success. The life of this man who so early has departed was not lived in vain for, according to those who knew him best, it was a life of cleanliness, uprightness, honesty of purpose and heart without even the blur or intimation of wrong. Judge McReynolds, after taking the chair and stating the purpose of the meeting, said that he knew O. G. Stone well, that he was a practitioner at his bar and never had he known or seen a man who was kinder, both with the court and his clients. "Always ready and willing to help a friend was O. G. Stone," said Judge McReynolds, "and my dealings with him have shown me that many were the times when he has aided the unfortunate when he never hoped for reward other than gratefulness."

Oscar Yarnell stated that he had known O. G. Stone since his entering into the practice of his profession in Chattanooga. He stated that when the deceased came here as a young lawyer that he had not a penny, and that by hard, honest work had risen to be recognized as a good, hard-working lawyer, and by these means had risen to the point where he had accumulated a little of this world's goods in his own humble way.

J. H. Early said that O. G. Stone was not a brilliant lawyer, but a good, hard, honest, hard-sense lawyer, and had, by this method, built himself up a nice practice as well as a reputation for honesty and upright dealing among his fellow-lawyers. "He had Indian blood in his veins and it was also a pleasure to assist any others of the same make-up without compensation. He came from Black Fox, where, this afternoon, his body will be buried."

W. A. Schofield then moved that a committee be appointed to take suitable action on the death of Mr. Stone. Judge McReynolds then appointed a committee of five to draw up resolutions and submit them at a meeting of the bar which will be held Saturday morning in the circuit court room. The committee appointed by Judge McReynolds is as follows: J. H. Early, chairman; W. A. Schofield, J. Lon Foust, Oscar Yarnell and C. W. Lusk. The meeting then adjourned and the present attended the funeral on Eighth street in a body.

ROTARIANS FOLLOW LEAD; "BUY ONE MORE BOND"

Oscar Seagle to Give Concert
Here for Benefit of the
Red Cross.

The Rotary club at its Thursday meeting showed that the members were full of pep from beginning to end, even to the extent of showing their example and buy one more liberty bond. Following the liberty song, by Lieut. Jones, of the M. O. T. Co., Frank Underwood exhibited a number of bonds and called for subscriptions from members. President Andrews started things by agreeing to purchase another \$500 bond. This was quickly followed by other members in rapid-fire order until the figures had gone beyond the \$5,000 mark. The Rotarians also exhibited their interest in the Chattanooga chapter of the Red Cross when it was announced that Oscar Seagle had agreed to give a concert, the entire proceeds of which would be devoted to the Chattanooga chapter, American Red Cross, if the Rotary club would get behind it. No second invitation was needed. C. E. Bradish announced that the Pilgrim Congregational church could be secured for the evening of Thursday, May 9, and at no expense to the club. The committee was immediately appointed to arrange all the details incident to advertising the event and selling tickets. This committee consists of R. C. Jones, Tom McCallie, Harry Adler and Lewis Burke. As the next three meetings of the club will be given over almost

entirely to the work of the Red Cross the concert coming as it does in the midst of these meetings and on Rotary days will add greatly to the campaign that will be on during the period.

Rev. Tom McCallie started the Red Cross program by making an interesting talk on the work as he had seen it through personal contact. He told of many of the things the organization was doing which was not generally known to the public. He told of how they were giving relief right here in our own midst, as well as reaching out to the prison camps and setting in contact with boys whose relatives have been unable to reach them or obtain knowledge of their whereabouts through other sources.

The indorsement committee whose duty it is to pass on all matters requiring appropriations by action of the club made several recommendations which were adopted. The committee will also pass upon the matter of the purchase of a small piece of property near the Vine street orphanage which will be used as a playground for the children. They will also look into the matter of appropriating a sum of money to help defray the expenses of the garden teachers.

It developed in the course of the meeting that practically every member of the club had purchased tickets for the Shriners' minstrel, the greater portion of whom expected to be present at the initial performance. Indications also were given that it would be their purpose to purchase a little souvenir booklet that will be on sale by the Godmothers' association.

PILGRIM CHURCH COMES HIGH; BOARD TO PAY

County School Commencement
Will Be Held at Bijou
This Year.

At a special session of the Hamilton county high school board which was held Wednesday afternoon for the purpose of selecting an auditorium for the closing exercises of Central High school to take place Wednesday evening, May 17, the members compromised the point in question. Prof. Ziegler was authorized to select the auditorium and \$25 was appropriated toward the expenses.

This decision was reached after long discussion carried over from previous meetings. Chattanooga has but one auditorium large enough to accommodate Central's student body, patrons and friends, said Prof. Ziegler, and that is the Pilgrim church. The use of the building for one night will cost \$75, and if a rehearsal is held, \$90 is the price.

The board has refused to appropriate this amount, giving war economy as its reason. Realizing what a great disappointment it would be to the children if the exercises were spoiled, the members of the board, at the suggestion of Mr. Stagner, agreed to contribute the required amount.

Prof. Ziegler also announced that the annual banquet given by the junior class and the faculty would be held this year as usual. He said it would not be as elaborate as heretofore, and that the money has been raised for the occasion by the juniors.

F. C. MORRIS APPOINTED SCOUT MASTER

New Troops to Be Organized at
First Presbyterian Church
This Evening.

Scout Executive Roy D. Bachman has appointed F. C. Morris, a local Y. M. C. A. secretary, as scoutmaster of the troop of the First Presbyterian church. A meeting of this troop has been called for Thursday evening at 7:30 o'clock in the study room of the Caldwell Bible class, and Scoutmaster Morris expects to have twenty-five boys at the gathering.

He calls attention to the activity of the scouts during the three liberty loan campaigns, stating that they have sold over \$125,000,000 worth of bonds. He cites a statement to the effect that there is more fun in being a scout than in all the athletic sports combined, for it is real work, patriotic work, needed, expected and appreciated by the nation.

BOYPOWER NOW AT WORK ON HOME GARDENS

First District prides itself on having 450 home gardens now under cultivation under direction of Miss Gertrude Wright, garden supervisor, assisted by Mrs. Mary V. Grayson, president of the Parent-Teachers' association and others of the district. According to plans discussed earlier in the spring they have succeeded in marshalling an abundant supply of "boy power" in the cultivation thereof. Through this agency, fences have been nailed and patched up against the intrusions of "neighbor's chickens," window boxes and porch boxes made, and many other lines of assistance decided upon for the coming days of weeding and hoeing, thereby settling a vexed problem of labor in this district. Anyone in First district in need of help in cultivating the home garden is asked to phone Mrs. Grayson or Miss Wright.

TRIO UNDER ARREST ON LARCENY CHARGES

In connection with the larceny of several hundred dollars' worth of goods, the property of the Cash-Melton Hardware company, R. N. Sparks and J. T. Hood, employees of the company, and W. J. Wilson, a farmer, have been arrested by Detectives Robert Peace and Joe Paradiso. Sparks and Hood are charged on the police blotter with grand larceny, while the charge registered against Wilson is receiving and concealing stolen goods. Other arrests are expected during the next few hours. According to Detective Paradiso, confessions have been made by Sparks and Hood. The plainclothesman estimated the value of the goods which have been stolen at \$300 or \$1,000. Sparks is said to have been a shipping clerk and Hood a truck driver for the hardware company.
